"EMIGRATION NEWS: Several letters have been received here within the last few days from Australia and America, all giving cheering accounts of the success of the senders. One party from Little Shelford, named Rider, who left about six years since, and were in great distress at the time, state that since they have been in Australia, they have amassed sufficient capital to purchase a farm, and were living comfortably."

He purchased crown land jointly with his brother James and brother in law Thomas Ivett (shown as Hivett) on 29 October 1856 at Churchhill Walloon Volume 9559 folio 229 Part 2 Lot 45. The purchase price was 49 pounds and 5 pence they tendered 49 pounds and 1 shilling with an annual peppercorn rent.

Dane by Robert (Bob) Elbourne:

Joseph and Emma went to Clarence Town near Maitland. Joseph and Emma resided on a property called "Berkeley Park" near Clarence Town which was a 640 acre estate of the late James Marshall. Along with George Felton and Maurice and Bridget Ronan, who also lived on the property, they cleared the land for farming. This is how many of our ancestors became involved in the timber industry. This employment in the industry carried on through the generations, even down to my father who worked with timber all his life. While at "Berkeley Park", Joseph and Emma raised 11 children, all born between 1858 and 1880. Only two, William and Edward, moved from the area. These pair moved to the Manning Valley and continued their lives there while the others stayed around Clarence Town.

Notes for JOHN ELBOURNE:

NOTES BY ROBERT (BOB) ELBOURNE

John was born on the 24th September 1875 at Clarence Town. John and Emily were married at Clarence Town in 1906. John worked in the bush cutting posts and sleepers for the Railway. He also kept bees for fresh honey. They owned three houses and land around Clarence Town. All around the houses the land was cultivated by hand, because Jack refused help from machinery, and the vegetables were sold from the market garden. Jack also owned a 1920 model Harley Davidson motorcycle and sidecar which he wrecked after Roy Allen's wedding. Jack had a few too many at the wedding and went to put the bike away in the shed and the bike went in but the sidecar went out. John died on the 3rd September 1969 aged 93. Emily died on the 9th March 1936 aged 47.

93. ARTHUR⁹ ELBOURN (JOHN⁸, THOMAS⁷ ELBOURNE, THOMAS⁶, THOMAS⁵, HENRY⁴ ELBORN, JOHN³ ELBORNE, THOMAS², WILLIAM¹) was born 15 November 1835 in Little Selford Cambridge, England., and died 17 June 1902 in Canowindra, N.S.W., Australia.³⁹ He married SUSANNAH STOCK 10 June 1867 in Bathurst, N.S.W., Australia.⁴⁰ She was born 1848⁴⁰, and died 16 October 1901 in Canowindra, N.S.W., Australia.⁴¹

Notes for ARTHUR ELBOURN:

FROM PAUL ELBOURNE:- In 1857, Arthur Elbourne, bachelor, son of John and Mary Elbourne, Little Shelford, sailed for N.S.W. on the SHIPP "John Bu nyan". Arthur was then 21 years old and had turned 22 when the SHIPP arriv ed in Sydney, on the 27 October 1857. With him on the same SHIPP were two of his cousins, William and Joseph Elbourne, both married.
In 1890 Arthur and Susanna Elbourne and their family of nine children mov ed from Bathurst on to a property called "Old Tinandra", near Woodstock at for a few years on Old Tinandra the family moved on to another property ca lled "Gum Creek" about 10 km west of Canowindra. Her elder son Arthur, met and married Cecilia Ann Moss. Her father was Thomas Moss, Bloss on Vale Station, Woodstock.
On the Gum Creek property, near Canowindra, some of the family set up a nd operated a saw milling business. About 8 km south of Gum Creek a nd 8 km west of Canowindra is another district called Nyrang Creek on the Canowindra - Euggowa Road. At Nyrang Creek, on the property called "To onarab" William and Alice Jones were raising a family of three boys a nd six girls. As the two families where within a short horse riding dist nce of each other, the outcome was three of the Elbourne boys married thr ee of the Jones girls. These marriages were George and Gertrude Jack a nd Amy and Edward and Alice.

I heard those stories as i grow up from my father Arthur Edward Elbourn the great grandson of William Elbourn and Rond Elbourne great grandson of Arthur Elbourne. Thy also talk about how two of Arthur Elbourne's son's with a friend, were the 3 men that told the police were Ben Hall the bushranger was hiding in Forbes. Which led the police to him, were they shot Ben Hall dead.

Told to me by Syd Rider. Sarah Turner Jones Was the Granddaughter of Sarah Rider of Little Shelford Cambridge England.

THE HOLD UP OF CANOWINDRA

Early one morning Hall and his bushrangers woke the owner of the Robinson Hotel in Canowindra and took over his building. They gathered all the town's people (about 40 of them) and kept them at the Hotel for 3 days. They treated their prisoner's well giving them food and drink, even providing music and other entertainment to create a party atmosphere. They did make the only policeman of the town march up and down along the verandah of the Hotel.

Eventually Hall agreed that it was fair to let the prisoners go so that they could return home. He even gave some 'expenses money' to them.

The object of this 'Hold up' was not to frighten the town people but to show the power he had and his dislike for the Police.

This is one of the incidents that amused ordinary people and they admired bushrangers as the poor peoples champions.

But the police were furious at this disrespect.

128. MARY¹⁰ IVETT (CHARLOTTE⁹ RIDER, THOMAS⁸ ALICE⁷ ELBORN, THOMAS⁶ ELBOURNE, THOMAS⁵ HENRY⁴ ELBORN, JOHN³ ELBORNE, THOMAS², WILLIAM¹) was born 13 April 1849 in Hordegate Whittlesea Cambridgeshire England, and died 1 October 1933 in Ipswich Queensland Australia. She married WILLIAM ALFRED ALBERT BENJAMIN ROBINS 5 March 1869 in Primitive Methodist Church Ipswich Queensland. He was born 14 January 1844 in Megasvissey Cornwall England, and died 18 July 1929 in Brisbane Queensland Australia.

Notes for MARY IVETT:

Mary was a religious person and attended the Church of Christ at 430 Ann Street, Brisbane every Sunday, often with the grandchildren. They would walk from Terrace Street all the way to 430 Ann Street. Some distance for small legs. The family would come home and Mary would bake them a hot Sunday dinner. Mary also scrubbed the floor at the church every week.

Mary was visiting her daughter-in-law, Lil Robins (Joseph's wife) when she slipped on one of the many rugs that Lil had spread on her polished floors. She broke her hip and this what eventually led to her death. Mary had a brother who worked as an accountant at Cribb and Foote in Ipswich

Informant at Death was son TWI Robins of Hazelwood Street Paddington.

William & Mary Robins shifted from Ipswich to Brisbane somewhere between 1876 & 1879. They were living at 34 Terrace Street, Spring Hill on the 1918 Electoral Roll, with sons Edward Matthew (his wife Beatrice) & Joseph Herbert Robins.

Olive Wright (Robins) can recall going to visit Bill & Mary Robins when she was about nine years old. Bill and Mary were old by this time and Bill was bedridden and would sit all day in his chair in his bedroom, always wearing a cap. Mary always wore her hair in a bun. When Olive was asked which children resembled their mother or father, Olive, said that William Hunkin Robins (her father) looked like his mother, Mary Ivett. At this time Bill and Mary had been living in Berry Street, but had moved into Boundary Street. The house in Boundary Street no longer stands. On the 1918 Census, Bill and Mary were living at 34 Terrace Street Spring Hill, with their sons, Joseph and Edward and Edward's wife Beatrice. Grace & David Braggins also lived in Terrace Street, Spring Hill. Their son, Herbert, was born here in 1911.

It would appear that William Robins was rather a storyteller about his life it is suspect that he was trying to create a new identity. All Queensland records list him as "William Alfred Albert Benjamin Robins", and that his father had the same name and his occupation is listed as a "Sea Captain." In fact his father was Martin Jolley Robins who fell overboard from his fishing vessel in the Megasvissey Harbour in 1857 and drowned. Alfred Albert Benjamin were assumed names.

Bill told many "pookies" to his family including fictitious stories of him working on a ship, that he jumped the ship in Tasmania and swam to mainland Australia. Mary, his wife, was of a religious turn and often threw him out of the house as he swore like a trooper and drank "Rum" very heavily. Mary often locked him out of the house and never let him in. The family were told that she placed him into a Salvation Army Home at one time and that he died there, but his death certificate records him as having died in the Diamantina Hospital, now PA, at South Brisbane.

He lived in Boundary St, Spring Hill and worked at Eagle Street as a "Wharfier".

Buried at Toowoong Cemetery QLD lot 24 sect. 12 Allot. 14 Church of Christ.

A memorial plaque was erected on his burial ground at the Toowoong cemetery on 1 November 2000 by Averell Robins

- iv. GEORGE PALMER IVETT, b. 15 July 1883, Brisbane, Queensland, Australia.; d. 30 January 1915, Queensland, Australia.
- Notes for GEORGE PALMER IVETT:
Old State Archives hold Public Curator insanity files for persons admitted to mental asylums including Goodna (Woogaroo or Wodston Park), Toowoomba (Willowburn) and Ipswich (Sandy Gallop). These files usually give dates of admission and discharge or death, and many contain letters from the patient or his/her relatives, details of the entire family's financial or social circumstances, and sometimes biographical data, employment history, certificates, wills, lists of property, divorce details, police reports etc. (but rarely medical details). Because the relatives were asked to pay, sometimes there is more information about them than about the patient.
GEORGE PALMER IVETT was listed in the Mental Asylum Records, up to and including 1918.

Obituary - The Chinchilla News and Marilla Advertiser - 21st April 1939

Another link with the past was severed on Sunday night last when the death occurred at his residence, Boonarga, of the head of a well known district family in the person of Mr. James Rider, at the ripe age of 78 years. The late Mr. Rider was a native of Laidley. During his early manhood he engaged in shearing in all parts of Western Queensland. Later he was employed on Old Chinchilla Station as a stockman, and subsequent to his marriage to Miss Margaret McGregor, daughter of the late Mr. & Mrs. Peter McGregor of "Hilltop", Boonarga, was appointed as Manager at Wongerra Station, Chinchilla, a position he relinquished about ten years later to enable the youthful members of his family to attend school. He preceded land in the Boonarga area over 40 years ago and had continued to reside there ever since, having successfully engaged in dairying pursuits. The late Mr. Ryder had enjoyed exceptional good health up until the last eighteen months. He had been confined to his bed for the past fortnight and death was not unexpected. Besides his wife, he leaves to mourn six sons, Ernest, George, Tom, Duncan, Donald, Alex, two daughters Elsie and Mrs G. H. Jolley, Booval, as well as a number of grandchildren and two great grandchildren. A third daughter, the late Mrs. W. Dwyer, Chinchilla, predeceased her father by only four months. The funeral moved from St. Cecilia's Church of England on Monday afternoon, Rev. J. Spencer Booth conducting the last rites. Mr. R. Cunningham carried out the funeral arrangements.

He was the manager of the Wongerra Station the family home from those days stands in the Historical Museum at Chinchilla.

Married by Rev. V. R. Handyside

He was elected as Chairman of the School Committee and along with Thomas who was one of the founding members.

His Cattle brand was H2V registered in 1889

He is buried with his wife Margaret at Old Pioneer Cemetery Chinchilla.

Commemorative Information

Cemetery: HEM FARM MILITARY CEMETERY, HEM-MONACU, Somme, France;Graves Refer:enc/

Panel Number: H. J. 15

Location: Monaca and Hem-Monaca are two villages about 13 kilometres south-west of Albert, a little south of the road from Albert to Peronne and east of the River Somme. 16 kilometres from Albert on the D938 (Albert-Peronne ne), turns south on the D146 to Hem-Monaca. After 500 metres turn west on the D1 to Curli. Continue for 1.2 kilometres and then turn south. Hem Farm Military Cemetery can be seen next to a large farmhouse 300 metres east of this road. Hem Farm Military Cemetery lies to the west of the village of Hem.

Historical Information: Hem-Monaca was captured by French troops in the Bts titles of the Somme 1916, and taken over by British troops later in the year. Hem Farm Military Cemetery was begun by British troops in January, 1917, and used until the following March, and again in September, 1918, and these graves now form part of Plot 1, Rows E, F and G. It was greatly enlarged after the Armistice by the concentration of graves from the battlefields on both sides of the Somme. There are now nearly 600, 1914-18 war casual files commemorated in this site. Of these, one-third are unidentified and a special memorial is erected to one soldier from the United Kingdom, believed to be buried among them. Another special memorial records the name of a soldier from the United Kingdom, buried in Clercy-sur-Somme. From the Military Cemetery, whose grave was destroyed by shell fire, the cemetery covers an area of 2,198 square metres and is enclosed by a red brick wall. The following were among the burial grounds from which British graves were removed to this cemetery: - ACHILLE BRITISH CEMETERY, FLAUCOURT, on a trench named Achille Alley, about 1 kilometre East of Flaucourt. This cemetery, begun by French troops, was continued in February and March, 1917, by units of the 48th (South Midland) Division, and contained the graves of 55 soldiers from the United Kingdom. CLERY-SUR-SOMME FRENCH MILITARY CEMETERY, near the road to Martreux Wood, where seven soldiers from the United Kingdom and one from Canada were buried in January-March 1917. (The present French National Cemetery is on the Marcourt road). CLERY-SUR-SOMME GERMAN MILITARY CEMETERY, midway between Hem and Clercy, which contained the graves of two R.A.F. Officers, CURLI FRENCH MILITARY CEMETERY, midway between Curli and Hem Farm. Curli was captured by the French on the 1st July, 1916, and again by the 3rd Australian Division on the 28th August, 1918, and the cemetery contained the graves of 46 Australian soldiers who fell in August and September, 1918, and seven from the United Kingdom, all but one of whom fell in the same months. Thirty-two of these graves were taken to Hem Farm and 21 to Suzanne Military Cemetery N. 6. 3. FEULLIERES BRITISH CEMETERY, on the South part of the village, containing the graves of 27 Australian soldiers who fell in August and September, 1918. FRENCH FRENCH MILITARY CEMETERY, FEULLIERES, on the South bank of the Canal, midway between the two villages, in which one soldier from the United Kingdom was buried in April, 1917. MEUDON BRITISH CEMETERY, Y. FLAUCOURT, called also Meudon Quarry Cemetery, near the North-East corner of Meudon Wood. This cemetery was made by the 1st Division in February and March, 1917, and contained the graves of 22 soldiers from the United Kingdom. NEEDLE WOOD CEMETERY, CLERY-SUR-SOMME (called also Andover Pls) between Clercy and Rancourt, which contained the graves of 18 soldier from the United Kingdom who fell in the winter of 1916-17.

Commemorative Information

Memorial: HOLLYBROOK MEMORIAL, SOUTHAMPTON, Hampshire, United Kingdom
Location: The Hollybrook Memorial is situated in Southampton (Hollybrook) Cemetery, which is on high ground in Chilworth Road, Shirley, next to Southampton General Hospital. Commemorated on the memorial are officers and men of the forces of the Empire who fell in the Great War and whose graves are not known, especially those who went down in transports or other vessels torpedoed or mined in home waters, but it includes the names of others who died at home, or in distant areas, and whose bodies could not be recovered. The memorial takes the form of a screen wall on which the names of the dead are carved. It is situated on a terrace at the back of the War Graves Plot immediately within the entrance to Southampton (Hollybrook) Cemetery. The dedicatory inscription on the memorial reads as follows: c. 1914-1918 TO THE GLORY OF GOD AND IN MEMORY OF 1855 OFFICERS AND MEN OF THE FORCES OF THE BRITISH EMPIRE WHO FELL IN THE GREAT WAR, AND HAD NO OTHER GRAVE BUT THE SEA OR TO WHOM THE FORTUNE OF WAR DENIED THE KNOW AND HONOURED BURIAL GIVEN TO THEIR COMRADES IN DEATH.

Historical Information: The Memorial in Hollybrook Cemetery, Southampton, is one of those erected by the Imperial War Graves Commission to record the names of those officers and men of the forces of the Empire who fell in the Great War and whose graves are not known. It is especially the memorial of those who went down in transports or other vessels torpedoed or mined in home waters, but it includes the names of others who died at home, or in distant areas, and whose bodies could not be recovered. Four names are due to the loss of H.M. SHIP "Hampton" and H.M. Transport "Commanoir". 3. The names of 737 are those of officers and men who were killed or drowned in H.M. Transports "Donagar", "Mendi", "Warilda" and "Wayfarer". Of these, "Donagar" (an ambulance transport) was torpedoed and sunk on the 17th April, 1917, between Le Havre and Southampton; "Mendi" was lost in the Channel on the 21st February, 1917, with 596 men of the South African Native Labour Corps; "Warilda" (an ambulance transport) was torpedoed and sunk on the 3rd August, 1918, between Le Havre and Southampton, and 109 patients and seven of the crew were killed or drowned; and "Wayfarer" was torpedoed (but not sunk) on the 11th April, 1915, sixty miles North-West of the Scillies. 4. Two hundred and seven names are those of officers and men who perished in the Hospital Ships "Angela", "Asturias", "Cleat Castle", "Lanfranc" and "Landover Castle". Of these names, 129 belong to "Anglia", sunk by mine off Dover on the 17th November, 1915; 57 to "Cleat Castle", torpedoed and sunk off Lundy Island on the 26th February, 1918; and 15 to "Lanfranc", torpedoed and sunk on the 17th April, 1917, between Le Havre and Southampton. Twenty German patients lost their lives in the sinking of "Lanfranc". 5. The loss is in fourteen steamships number 270, and three of these vessels deserve particular mention. The Italian transport "Citta di Palermo" (57 names), ca. trying (among others) 150 British soldiers, was sunk by mine on the 8th January, 1916, ten miles from Brindisi; and in rescuing the survivors two of the British Oranito drifters were themselves mined and blown up. "Citta di Palermo" was torpedoed and sunk on the 12th September, 1918, 160 miles out in the Atlantic. The Irish mail boat "Leinster" (144 names) was torpedoed and sunk in the Irish Sea on the 10th October, 1918, with the loss of 176 lives in all. Thirteen names are those of officers and men lost in a trawler and two airships. 6. Lastly, the Memorial records the names of 258 sailors, soldiers and airmen, and one V.A.D. from the United Kingdom; 143 Australian soldiers and airmen; 106 South African soldiers and labourers; 58 men of the British West Indies Regiment; 37 officers and men of Indian units; and 30 Canadian soldiers. The majority of these were buried at sea. 7. The total number of officers and men named on this Memorial is 1855 and the units in which they served may be classified as follows:—United Kingdom Military units—782 South African units—716 Australian units—160 Canadian units—64 British West Indies Regiment—58 Indian Regiments—37 Royal Navy—16 Queen Alexandra's Imperial Military Nursing Service—9 Rhodesian units—3 Royal West African Frontier Force—2 Voluntary Aid Detachments—2 Royal Marines—1 Territorial Force Nursing Service—1 Queen Mary's Army Auxiliary Corps—1 Civilian—

Notes for EDWARD ELBOURNE:

FROM PAUL ELBOURNE: Edward Elbourne married Alice Annie Heilbron Jones on 15 March 1911 at Nyang Creek. Alice takes her name from her mother, Alice Gertrude Heilbron, whose parents were Adolf Heilbron and Sara Turner Heilbron. The Heilbron family arrived in Melbourne on the SHIPP "David Fleming" in November 1859. They were Sara, aged 36, four children, n. Thomas, age 15, Adolph, age 11, Alice, aged 10, and George, aged 9. Her husband Adolph is not shown on the shipping list and may have died in England. Adolph Heilbron had fled Germany in fear of his life and left information about him was ever made known to his grandchildren. Prior to his marriage, Edward Elbourne was working on a large sheep station on near Condonville and had become manager of the place. On one occasion, a round 1908, with only one assistant, he took a large mob of sheep from Con donbin down into Victoria, which took over three months to complete. After Edward married Alice Jones in 1911, he commenced a Cyprus Pine sawmill ng business on the bank of the Mandagery Creek in Eugowra. His brother George, who had earlier married Gertrude Jones, joined him as a partner in this venture. The mill operated as 'Elbourne Brothers'. During World War I, Alice Elbourne enlisted in the army and died at sea on his way to the war in France. Joseph Elbourne, an older brother, married to Louisa Ha y, then joined Edward in the sawmill business. A third partner was later to join the business. He was James Hay, Joseph's brother-in-law. Joseph Elbourne and James then bought Edward's share in the business and Edward continued to work at the mill as an employee until the late 1940s.

318. CHARLES ALFRED¹¹ BRAZIER (CHARLES¹⁰, ELIZABETH SARAH⁹ ELBOURNE, RICHARD⁸ ELBORN, THOMAS⁷ ELBOURNE, THOMAS⁶, THOMAS⁵, HENRY⁴ ELBORN, JOHN³ ELBORNE, THOMAS², WILLIAM¹) was born 10 October 1889 in Queensland, Australia, and died 1968²⁶⁴. He married LYDIA FLORENCE GATEHOUSE 11 September 1912 in Woodford, Queensland, Australia.

Notes for CHARLES ALFRED BRAZIER:

"BERNAROO" - CHARLIE BRAZIER STORY told by KAY SCHULTZ.

My grandfather, Charlie Brazier, settled on Portion 14, Durong in 1922. He obtained possession by paying the rates owing by the previous owner Mr Kehoe. The block was first selected by Jack Keller in 1913.

The Brazier family was reared in the Wondai district and Charlie worked 1 for a period on Burrandowan Station. He met and married Lydia Gatehouse at Woodford. He was a coach driver at the time. When they came to the fir new property, they lived in a tent near the Boyne River with their three children Beryl, Les and Gweneth. They later moved into the "Shingle s" on Coe's block (Portion 6) for a while and during this time they boarded at the school teacher, Miss Dorothy King in 1926/27. Gwen (Bubbles) d ed in 1929.

Charlie used to play his accordion for most of the "bush hops" that were held around Durong and Boondooma and he often played at home at night by the hour. He was considered one of the best drovers in the district in his time and was happiest when he was on a droving trip. He was often away for weeks at a time and rarely lost a beast. He was an excellent horse man and was familiar sight each year at the face of the camp at the Durong campdraft. He operated a dairy around 1920/30 period but beef cattle were always his main interest until he died in 1968. My husband, Aubrey Schultz and myself now own Portion 14. We moved from C ardaroga ten years ago to "Bernaroo" where we now live and our four children Kerry, Lynn, Brett and Craig all attend the Boondooma State School - the same school that I attended all my school days although it was called Durong State School those days. We run beef cattle and crop grain a nd sunflowers.

Les Brazier owned Portion 15, Durong, to the time of his death in 1976. He ryl is living in North Qld.

Charlie had four brothers who lived in this area for a period. About 193 0, Essell Brazier had what was known as "Mumters" block (Portion 21, Boondooma). Frank Brazier dairied on Portion 12, Jua, which he sold to Jack Coe in 1947.

Tom Brazier had Portion 24, Boondooma, which he sold to Carters early in 1 930. He then took over Portion 14, Jua. In 1936, Fred Brazier took over Portion 14. He and his wife Violet (now deceased) and son Noel conduct ed a dairy for some years but more recently grazed beef cattle and still d o. Noel and his wife work on the Golden Mile Orchard at Mandubbers and Fred who has remained is now living in retirement in Kingaroy.

Notes for LIEUTENANT-COLONEL ARTHUR DAVID (JIM) ELBOURNE:

Jim (Arthur) was born in Canowindra on the 27th November, 1916. His parents st, Edward and Alice Elbourne, raised a family of five boys in Ewgovwa. Their names were Harvey, Lesley, Arthur - who became known as Jim - Roy and Douglas. The family lived right on the bank of the Mandagary Creek in an old wattle and daub house. In the mid 1930s a new Cyprus and Pir house was built about a 100 metres further away from the creek on Nami ma street, as the original home was prone to frequent flooding from the creek. Alice and Edward lived in this home for the remainder of their lives.

The small town of Ewgovwa had little to offer the boys as they matured, and by the early 1940s Jim, Les, Doug and Roy had all left the district. Jim joined 6 Light Horse Regiment in September, 1934, and enlisted in the permanent military forces in 1938. He was serving with the Darwin Mobile Force in Darwin in September 1939 at the outbreak of World War II. He transferred to rank of Lieutenant in Sydney in 1940 and it was there, at Ashfield on the 27th of December, 1941, that he and Rita Moxon were married.

In 1942 he was sent to Brisbane and, after a series of postings in Victoria and in Queensland, he was promoted to rank of Lieutenant. Madeleine was Jim and Rita's first child, born in Sydney in June, 1943. Jim subsequently spent time in Redbank and Tenterfield before leaving at the end of 1943 for New Guinea. He joined 47 Australian Infantry Battalion and saw action near Bougainville. He arrived back in Australia in 1946 and it was in January 1947 that the twins David and Paul, were born.

The next few years saw a series of promotions and postings for Jim. In 1955 he was appointed Officer Commanding Support Company, 1 Battalion, Royal Australian Regiment in Korea. During his time in Korea his family remained in the family home at Strathfield in Sydney.

Jim returned to Australia in 1956, was transferred to HQ 5 Infantry Brigade e, Leichhardt, Sydney and in July of that year was promoted to Major, Australian Staff Corps. In June, 1960, he was transferred to Deputy Assistant Adjutant General HQ Eastern Command Troops, Victoria Barracks. On 26 May, 1961, he transferred from the Australian Regular Army to the University of N.S.W. Regiment, CMF. In December 1962 he was promoted to Lieutenant-Colonel and retired shortly thereafter.

Notes for EVELYN MAUD BRAZIER:

EVELYN MAUD WELSH 23-10-1910 -- 14-8-2002. Chinchilla News 17 Oct 2002

Evelyn (or Evie or Ev) was known by her family and friends) was born at North Farm, Brigalow. She was the first child born to James Alf ed Brazier and Lily May (nee Merritt). They lived at Ehlna.

Evelyn's mother died when she eight years old and she helped her aunt ca re for her three younger siblings. After the death of her mother her fath er, who worked for the Queensland Government Railways, applied for a trans fer to Bunjowogera where she attended school on Mt Abundance Station wi th the station family and workery children.

Later her father was transferred to Kogurim but the family went to li ve in Warra with their aunt as there was no house available for the fami ly at Kogurim. When a house became available in Miles they moved the re to be close to their father. Later the family lived at Tanseyemorell, M acalister, Guralumundi and Coomera.

Evelyn offer told her family that, as a young woman, she used to operate t he railway gates on the line from Brisbane to Coolangatta at what was th en known as the 37 mile close to where she was buried.

On 11 August 1930 Evelyn married Lawrence (Larry) Welsh in the Guardian A ngels Church, Southport, and moved to live on the Welsh family property " Belmore Park" Guralumundi. The were living there when Jim, Vince, Lauri e, Eileen, Doreen and Patricia were born.

It was at Guralumundi that she became an active member of the OCWA and w on first prize for her homemade bread. She told her family that this a rt was taught to her by her husband out of necessity.

For economic reasons Larry obtained a position as fitter with the Queensl and Government Railways at Kogurim shie the family remained at "Belmore Park". In his forties Larry taught himself to ride a pushbike and he was t hen able to ride home to spend Sundays with the family.

Later he applied for a transfer to Gulgah and the family were reunite d. It was here that Evelyn had to supervise correspondence school until the school was reopened. They were living there when the last two child en Brian and Keith, were born.

Larry was then transferred to Baking Board (then called Mandandy), Kurumb ul and Coomera where he predeceased Evelyn in 1960.

After Larry died she went to live with Doreen at Ormeau and Nowell, lat er moving to Beenleigh where she made a home for Eileen, Patricia, Brian a nd Keith. In 1989 she and Brian moved to live with Eileen at Holmview wh ere she was living when she passed away.

Although physically frail and hearing impaired in her later y ears, Evelyn enjoyed having the Chinchilla News and Country Life read to he r. She maintained an interest in all things rural.

Evelyn's Requiem Mass took place at St Patrick's Catholic Church, Beenleig h, on 22 August and she was laid to rest at the Lower Coomera Cemetary bes ide her husband Larry.

Evelyn is survived by sons Jim, Laurie, Brian, Keith and daughters Eileen n, Doreen and Patricia. A son, Vince, predeceased her in 1993.

Notes for ETHEL AMY FISHER:

The following information was provided to Doug FISHER by Bob SCOTT, Etel's, mom March 8, 2004. Following is the notice placed in the Ottawa Citizen November 9 and 10, 2000 upon the death of Ethel. SCOTT, Ethel Amy (nee FISHER) In the Civic Campus of the Ottawa Hospital on Wednesday, November 8, 2000 in her 85th year. Devoted wife of the late RON SCOTT. Dear mother of Bob (Carol) and David (Joan), loving grandmother of Melanie, Andrew, Robert and Ryan and her extended family and friends. She was dedicated to her family and the community around her. Etel's first years were in the Village of Rockcliffe by Mackay Lake, where she worked in the Village Office. She was also proud to work for the same organization as the father Constable Sydney FISHER. Mom and Dad then moved to Sims Street and she worked for 25 years at the Civic Hospital, in Emergency and as the Discharge Co-ordinator. When they retired they moved to Drury Lane, Summers were spent at the Cottage in Ferguson Falls, with the occasional trip to British Columbia. Mom was always involved with the activities of each of these communities. She enjoyed the neighbors and friends around her and appreciated the returned love and sense of community that followed her wherever she went. In particular she enjoyed all the friends and activities at Parkdale United Church. She will be missed by all the family and friends in the Ottawa Valley, Vancouver Island and Powell River, B.C. She will forever be in our minds. Friends may call at the Garden Chapel of Tubman Funeral Homes, 3440 Richmond Road, Nepean (between Bayshore Drive and Baseline Road) on Thursday from 2 to 4 and 7 to 9 P.M. Funeral will be held in the Chapel, Friday at 10:30 A.M. Interment, Capital Memorial Gardens, Nepean. Thank you to all the staff at A3 for your loving care. In memoriam donations to the Ottawa Hospital, Civic Campus Foundation or the Elizabeth Bruyere Health Centre. Following is the eulogy written and read by Bob SCOTT at his mother's funeral service. MOM: 85 years give or take a day or two. There have been a lot of changes since 1911 to now. Street cars-the kids always had fun pulling the trolley off the line or putting oil on the track and watch the cars trying to get up the Holland hill. Drivers' Licenses were bought in the drug store for \$2.00--no test. From wagan to jet to space craft. The first telephone on the street to Radio to TV, VCR, PC, AGV. The English language doesn't use words any more just initials and numbers. Mom's younger years were very interesting with numerous stores from her home on Mackay Lake in Rockcliffe. Mom's most favorite times were the family picnics. The FISHER family would take their row boats across Mackay Lake, then walk to the shore of the Ottawa River and have lunch. There were the ghost stories of walking down Hemlock Road, past Beechwood Cemetery under the full moon. I learned how shadows get larger and smaller depending which way the moon rays are shining and how ominous and what ghostly reflections a tree stump projects in the moon light. There were the early morning walks while Grandpa was still alive. Dad slept in. We learned from Mom that the coloured light in the due drops were dancing pixies. Those experiences are now passed onto another generation with morning and late night walks down gravel roads at the cottage. Mom had her schooling at Rideau Street Convent and loved Canadian History and Politics. This was quite evident from her collection of books and mazzagins at the house. In writing this I realize how deep her influence was. Melanie took Political Science at Carleton University and major in Canadian Studies. Mom always liked to challenge the system and an hour after the lights went out at the Convent, Mom and her group of Commandoes would take three sheets together and escape over the walls to the outside; because--- they were told not to. In the end the condition of the sheets gave them away. After suitable punishment was dish out and the effect wore off, a rope was found. Hence the quality of never giving up and finding another route around a situation. I think that might have passed on to another generation as well. Mom lived through two world wars and there were stories of Admiral and Captain coming through the house and secret meetings late into the night. Princess Juliana also visited and they had tea and walks through the grounds. There was even a side bet offered by Princess Juliana that she would have the boy and mom the girl. I won the bet for mom. Mom met a dashing young man named Ron, fought off the other girls and moved to Sims Street. We grew up in that area and there was a sense of community. Everyone walked everywhere, to Parkdale United Church, to school, to the store, to work, to the movie theater. We went to Comnaugh School, where I had my first love. Dad got into a car accident. Mom was always in charge of the house. Mom was a very hard worker and wanted to make sure she got home safely from work. I would meet her after work and walk her home. --OH YES-- I FORGOT to say that between I held Carol's hand and on the way home I held Mom's hand. There were the summers at the cottage at Ferguson Falls swimming, running through the fields and climbing trees. Not to forget the great Easter egg hunt. All that chocolate must have cost them. Mom was putting on Bandages and always finding jam containers for us to hold fish, bugs, frogs etc. Meals were important and you had to be on time. If not there was a bell that rang and a large mirror that would flash sun beams in your face from half a mile away at the swimming hole. That meant you had ten minutes to get to the table, or the pairing voice ROBERT/DAVID meant you had ten seconds to get to the table. Meals were always three vegetables and meat plus pie or ice-cream for desert. Lunches for work were, three sandwiches, an apple and desert with cookie snacks. In the Hall this type of meal was always prepared by Mom - while we ate breakfast at 4:30 A.M. before duck hunting, with of course a thermos of hot coffee passed to us as we went out the door. Over the years and looking from the outside in, we saw our parents in a different light through friends and family that dropped into Sims, Drury and Ferguson Falls. David and I were always impressed with the constant visits and affection which others extended to Mom and Dad. The sense of Community which existed around you all. A lot of teenage friends were also subject to the rules, but I think were better for it. Your stories and experiences passed on to us give another dimension to their lives. We thank you for those words and cards sent to Mom and Dad during their time of need. Through out Mom's life when she took on a challenge she was usually successful. She thought about the SHE DID IT HER WAY. As her sons there was no choice. Mom wanted it done and you did it. P.S. She was usually right. She was very well organized with all the facts and documents filed or at her finger tips. It was difficult to any debate. This was true whether she was organizing church events, parties or our school work. The project was done on time and a success. Even if it appeared impossible, it just made Mom more determined. One of her finest successes were David's operations. There was no question they would be successful and it would get done, and it was - the first successful procedure in the world taking many years - and still used as a case study today. Health care was not as it is today. They mortgaged all three houses to the limit and they went to the Montreal General with a leg let done amputation. There were situations such as the next set of operations being cancelled with the next day due to lack of blood. It took a lot of blood for a nine hour operation. Well to make a long story short, with Mom's dynamic personality there was enough blood credits made available for David's next three operations. They were required to make an announcement on Montreal Radio where the taxi drivers return home as the Blood Bank was full and they were creating a traffic jam. Mom had a unique ability to read people, and then know who to respond to them to get her way. Plus if she wanted you to do something that you really did not want to do, you found yourself doing it with out delay. Well as one of the nurses put it "she gave you that look and it she gave you that look and you immediately did what Mom wanted. MOM YOU WERE AND ARE THE CAPTAIN OF OUR SHIP. THANK YOU FOR YOUR GUIDANCE OF THE PAST AND THE EXAMPLE YOU GAVE US WILL FOLLOW US IN THE FUTURE THROUGH THE ROUGH WATERS OF LIFE. ---

Notes for RONALD SCOTT:

The following appeared in the Ottawa Citizen October 9 and 10, 2000 SCOTT, Ronald in hospital, on Sunday, October 8, 2000, in his 90th year. Loving husband of Ethel SCOTT (nee FISHER). Dear father of Bob (Carol) and David (Joan). Loving grandfather of Melanie, Andrew, Robert and Ryan. To Dad his family and family events were the most important things in his life. His love of nature, gentle strength and kindness will be greatly missed. Friends may call at the Garden Chapel of Tubman Funeral Homes, 3440 Richmond Rd. Nepean (between Baseline Road and Bayshore Drive) on Tuesday from 2 to 4 and 7 to 9 P.M. Funeral will be in the Chapel on Wednesday at 10:30 A.M. Interment, Capital Memorial Gardens, Nepean. In memoriam donations to the Ottawa Regional Cancer Foundation or the Heart and Stroke Foundation would be appreciated by the family. ----- Following is the eulogy written by Bob Scott and read by him at his father's funeral. Ron Scott was a man who was totally devoted to his wife and his family. His other loves were the Environment, Fishing and Hunting. Even as a young boy he used to go fishing with his father. Then of course when we were successful there was the cleaning and plucking the catch resulting in feathers all over the house. Sometimes it took so long we missed the night hunt. Then as young boys around to complete. For the first week everyone wore poke-a-der shirt He was also the main care-giver when his mother took sick for an extended amount of time. In his teens and twenties he was a very good down hill skier and even enjoyed ski jumping. After meeting Mom he slowed down years and they enjoyed their summers at Big White Fish Lake. Those were the days that you could catch 30 pound lake trout in the morning and a couple of 15 pound ??? at night. Some of the old pictures show days catch of 25 such fish. In his youth a tragic gun explosion took half of the right side of his face and one of his legs in that he was able to walk out of the bush, drive to the hospital, while the other three in the hunting party were lost in the bush for the whole day. Dad was a graphic artist and designer at Larosque's Department Store. He worked his way up to Manager with a staff of three. He was very handy, beating out larger stores such as Eaton's and the Bay. Those were the days when television sets were a big holiday event. During our younger years we enjoyed family life at the cottage in Ferguson Falls. Dad's time was spent on cottage restoration and as a naturalist with amazing knowledge of the environment. People would come to the cottage with a rare bird, bug or snake for Dad to identify. In Science class all specimens David and I brought to school got us straight A's. Even the right-up in the newspaper. In the Spring it was Pickedler fishing, then in the Fall duck hunting. Up at 4:00 a.m., as you always had to be the first in the duck blind. We loaded bags of decoys, massive lunches and enough guns and ammunition to start a revolution. This process, even one tripping around with flashlights seemed to take hours. Then of course when we were successful there was the cleaning and plucking the catch resulting in feathers all over the house. Sometimes it took so long we missed the night hunt. Then as young boys around to "bizarre season" we remember the countless trips to Parkdale United Church carrying reindeer, snowmen etc. to the church. Then we had to sit quiet while the "Master Designer" would do his magic and turn the stage into a Christmas Story Book. When money was scarce Dad was able to use his intellect to create and manufacture a wide variety of toys for us boys. The only problem was this was made as the envy of the neighborhood and Dad was kept busy making toys for the neighbors' kids as well. We had scooters to rival today's models, along with wooden horses to ride, swords and machine guns to wave. Everything a young boy could ask for, all made from Dad's hands. The things this kind and gentle man left us with, a love of the outdoors, nature, a keen sense of family and the importance of the family enjoying life together. He will forever be with us, with every book we cross, every bill we climb and every wild flower we take the time to smell. That our Dad ----- The following eulogy was written and read by David Scott at his father's funeral. The purpose of a eulogy is to expand upon the virtue of the person who has passed on in an eloquent and polished manner. This I am not equipped to do. When I sat down to put pen to paper I had all these great memories to impart to you, but when I wrote his name there was so many memories and emotions that rushed to me I could not put pen to paper. After this service and refreshments they may come forward. Mom also said to keep it brief. There are only some of the memories and legacies I remember. RONALD SCOTT Dad was a man who loved to teach, whether he or you knew it or not. He taught both by example and by imparting the things that he had learned in a simple and direct manner. Some of these life lessons I would have preferred on my backside rather than the long vocal response to my wrong direction in life. The most memorable quotation that I remember was "If the job is worth doing, it is worth doing well". This has been the mark that he has lived by and I have tried to follow. Dad was a commercial artist, while working for Larosque's Department Store he won various awards around the region. Culminating in winning the North American Award for Window Displays. He had a genius for presenting things in a light that was appealing to all. He was a bugler for a number of years in the Governor-General's Foot Guards and served as a Air Raid Warden during the World War II. As a naturalist he was so far by neighbors, friends, near and far family to determine what this bird or insect was, what it ate and where it would live. They always got their answer. He enjoyed fishing and hunting and gave his knowledge (which could only be surpassed by few) to family and friends when asked, or when it was needed. He was a hard worker, starting at 8:00 a.m. and working past 6:00 p.m., six days a week. Then home, half-hours snoring and start on household chores. His love of family did not have to be displayed. By looking at him you knew he had the greatest love for his family, with special warmth and concern for his grandchildren. Dad and my family have sacrificed a lot for me personally, during most of my first fourteen years of life I was in hospital. This created a massive financial and emotional burden on the family. I thank you for the life have and what I have become. I hope I have will continue to honour you for your sacrifices. -----

Memories of Joan Kirk nee Duncan. (Joan is Dorothy's cousin)

Joan Kirk knew Dorothy Isbister before she married (Joan never met Doug. Fish) Joan tells that "you were sure to have a good time when you were with Dorothy. She always found Dorothy to be very friendly.

Memories of Barbara Gray nee Plunkett. (Barbara is Dorothy's niece)

In my younger years your parents were in various parts of the county away from Ottawa. Aunt Dot being just eleven years older was quite close to me. I remember her wedding and pictures taken at Gran's. One of our favorite times was riding in Uncle Doug's car in the rumble seat. Aunt Dot was quite a tease, but Pat and I used to add to the annoyance. I remember one day she was in the kitchen behind a large picture window. Always, we were outside taunting her, when she came out after us with a butcher knife. We quickly high tailed it to our apartment next door. Aunt Edith and I visited Uncle Doug and Aunt Dorothy in St. John, New Brunswick for a week. While there your Uncle Doug took us all over Prince Edward Island and gave me my first lobster. Elizabeth was about four and Douglas was about two and Stephen was one year old at the time. Another time Pat and I visited your Uncle Doug and Aunt Dorothy in Trenton, Ontario. Not sure if Elizabeth had been born then. I can remember that your Mother was the best bread maker. Each night the bowl of dough was placed behind the stove to rise and be baked in the morning. Aunt Dorothy was pregnant at our wedding with Dorothy Ann. For many years Uncle Doug and Aunt Dorothy would call us each New Years to wish us well, for we never lived in Ottawa. Aunt Dot didn't have an easy life, but she never lost her love and devotion to us.

Notes for JOHN GEORGE CRAVEN:

Memories of Jim Craven April 22, 2005.

My Dad came west with mom and me to Vancouver when I was two years old. His dream was to become a professional photographer. He founded a business called Crayborn Studios located on Fraser St. in Vancouver. He used to bicycle to work from East 47th Street where we lived. He was partners with a fellow he had spent time with in the R.C.A.F. His name was Osborn hence the company name. Dad specializes in portraits, particularly in the colouring of portraits. This was before colour photography and he would paint flesh tones on a black and white photograph by hand with oil based paints. This process would take hours using tooth picks and cotton batten in this tinting process. He won many prizes doing furniture photography for some of the downtown Vancouver stores, particularly black and white room groupings. I often used to go down to the shop and can remember, in the back of the shop when I was about four or five there was a pile of spent spools, about four feet deep, on which film had come and had been discarded after the film had been processed. I would use them as building blocks and make any wonder of things out of them. At a certain point my mother and father decided the business was not lucrative enough to support two partners. They then headed to Powell River and he took up work in the paper mill. I believe he was bitterly disappointed the move had to be made. He was a very different man in Vancouver, he would put on a fedora, three piece suit, rain coat and peddle to work. All of a sudden he found himself in the completely different environment of a pulp mill working shift work. The solstice of it all was his love of fishing and hunting. In Powell River there was an enormous opportunity for fishing and hunting. Fly fishing in particular. He immensely enjoyed the preparation of his catch, salted and smoked salmon, then preparing a banquet for friends and family. I believe there was a part of him that always missed the photography opportunity. The photographic studio was doing fairly well, we were not poor. We were in southern Vancouver which was a relatively "well off" area and we eat relatively more meat than our neighbors for the time. There came a time when he and my mother decided to improve their standard of living they would have to make a move. I do not believe the quality of his new employment was up to what he enjoyed in photography and he was bitterly disappointed. He went to work in Powell River as a sense of duty and I have always admired him for that and regret he could not pursue his passion.

In the pulp mill he would take three to four cords of wood which had been delivered by a fork lift truck off of a skip and place it in a grinder. The grinder would grind the wood into pulp. It was a very non-challenging employment for an individual with his intelligence and passion.

I believe he received a medal for the best mark in English in grade nine. After that his Dad suggested as he was the eldest in the family he should leave school and contribute to the income of the family in Port Arthur (Thunder Bay), Ontario. His later employment decision was almost like a return in my mind.

My Father was in the Royal Canadian Air Force near the end of the Second World War. He had problems with his adenoids and I believe it is why he never went overseas. He was in aerial photography which is where he developed some of his photography skills.

My Mother and Father met at an Air Force dance in Ottawa.

-----Memories of John Craven May 2005.

In 1950 my Father and Mother left Vancouver and the photographic business because it was doing so well and came to Powell River. He secured employment with the Powell River Company working in the grinding room making wood pulp for the manufacture of fine paper. He worked there from 1950 to 1976 when he passed away.

Interview by Doug Fish of my Aunt Betty March 30, 2004.

Question:

Can you tell me what you can about Uncle Steve's experience in Europe during the Second World War?

Steve was in the Canadian Army Signal Corp. When he first went over to Europe he was riding a motor cycle. The Germans had a practice of stringing wire across roads, which would decapitate motor cycle drivers. The military then put them in jeeps. He was originally stationed in Holland. Later near the end of the war he was assigned to Belgium. In Belgium on March 3, 1945 he was driving a jeep with three other soldiers in the Hockwilt Forest. Steve yelled "duck ??? the Jerry's are coming". They were hit and the jeep blown up by what ever the Germans were using at that time. "I forget". The three other soldiers in the jeep were killed and he was badly wounded with shrapnel throughout his body. He was picked up by the Medical Corp and taken back to a field hospital. At one time while accessing his wounds they considered amputating his leg and arm. They decided amputation would not be necessary and flew him back to England where he underwent a number of operations and recuperated until he was returned to Canada.

Question:

Would you please tell me a little about Uncle Steve's return to Canada from Europe after WWII?

He came home in July of 1945 on a hospital ship. I believe it was the Lady Nelson. I don't remember if the ship docked in Halifax, Nova Scotia or Montreal, Quebec; but they came into Ottawa by train.

I went with his parents and sisters to meet him. We originally went to the train station in downtown Ottawa across from the Chateau Laurier Hotel. We were then told all the injured soldiers were being taken to the hospital at Billings Bridge, which was out in the country at that time. We all piled into the car and drove out to the Rideau Military Hospital, which was out at Billings Bridge. They were all lined up on stretchers on the floor in the hospital room. His sister Alice gave me a little push and said "go ahead and kiss him" I then went over, I bent over and kissed him and that was our first kiss in front of his whole family. I then went home and told my Mum "he had diamonds in his eyes". Which of course were his tears of joy. I will always remember that day, from then on my feet never touched the ground.

Steve was in a body cast (cast was from his armpits down his torso and left leg to his foot) and was required to stay at the hospital to recuperate. After being in the hospital for a while he and one of his buddies decided to take off for New York. He was still in a cast and his buddy had lost an eye in the war. Steve was on crutches and his buddy wore dark glasses. In August of 1945 they hitchhiked to New York and were in the Empire State Building on V.J. Day (Victory over Japan). They met a couple of girls during this adventure and brought them back to Ottawa. Bert, Steve's friend ended up marrying Marion the girl he brought back from New York and they were our attendants at our wedding. The girl that Steve met went back to New York. Steve was released from hospital in October 1945 and was still on crutches.

He then got a job with the government but it did not last very long. He could not stand working in an office. His father then bought him a big flatbed truck and told him to get to work. He would then go around hauling bricks and cement. That did not last too long, as I do not believe he was able to do with all the injuries he had as a result of the war. He then went into driving transport for various companies (Fournier Van Moving and Storage, Allied Van Lines, etc.) for quite a while. In later years he would take loads down to the Maritimes and to the U.S. Later he worked for Dominion Freightways McAnally Freightways that moved to Bells Corners and that is when we moved to Richmond in 1963.

In 1969 he quit that job he started his own taxi business in Richmond "Richmond Cab". Sharon and Terry drove taxi for Steve, Sharon during holidays and Terry had a school run with crippled children to CHEO. That developed into the school bus business. He was driving children with the taxi and due to the number of children it was becoming expensive for the School Board and they encouraged him to get a small school bus. He then developed that into a number of good school bus runs. Steve did that until he took ill in 1986, when he landed in hospital and he lost his leg. Things then went from bad to worse and he was placed in NDMC the Veteran's Hospital in Ottawa where he died Oct. 23, 1990. I was in the Grace Hospital at the time of his death. He was cremated and I buried him on our 44th Anniversary, Oct 31, 1990 in St. John's Anglican Cemetery, Richmond, Ont.

Question:

Where did you meet Uncle Steve?

We met on a street corner of Beechwood Ave and McKay St. He was with his friend George, and Steve told us his father was the Chief of Police of Rockcliffe Park and George Burke's father was the shoemaker. So then we felt comfortable walking home with them. That is how we met on March 3rd

1940. I told my girlfriend, Carmen Briseau, that I liked Steve because he was so "aristocratic" but not "sophisticated" and I was going to marry him some day (which I did). After that we would meet on the streetcar going to school. Steve used to get off the streetcar at my stop and carry my books home for me. That was "his days" We were High School overachievers, but broke up during the summer. We went our own ways and then he joined the Army and went overseas where he was wounded on Mar. 3, 1945. He was in the Hospital in England and when I read about him in the Ottawa Citizen. I telephoned his mother and she gave me his address to write to him and I did. To my surprise, he answered my letters and we wrote to each other until he returned home. Then we got back together once more with an off again - on again relationship until we finally got married on Oct. 31, 1946 and lived happily ever after. "Amen"!!

I went to the High School of Commerce and he went to Ottawa Tech. Steve took Electronics. He used to repair radios and later on TV's as a hobby. He was also an X-49er, a two way radio club (aka The Turnip Farmer).

Notes for DOUGLAS JOHN HARRIS:

Note sent by Doug Harris to Kathy and Phil Brown then forwarded to Doug Fish Jan 1, 2006.

Dear Kathy and Phil

Many thanks for your letter with the latest update from the other side of the ocean. We have not had the best year in 2005 in as much that Karen and Richard lost their young son Andrew to an inoperable brain tumour. He was first diagnosed in April 2004 and they were told that it was terminal. He underwent radio therapy every day for six weeks and the tumour shrank and he was able to go back to school and live the life of a normal six year old, he was fine for Xmas 2004 and we stayed over at their house as had been the norm for a good few years but in January 2005 the symptoms that first brought it to note namely lack of balance and unsteadiness returned and he deteriorated rapidly. Karen and Richard moved into a wonderful children's hospice where they had their own room with Andrew with 24 hour medical care provided by wonderful staff and upstairs an additional apartment for themselves and for any visitors who wished to stay over

for the night or a few days, and all this was free paid for by fundraising from all sorts of sources. Andrew died on Thursday 16th June a couple of weeks after his seventh birthday. We are sorry to have to break the news to you like this but we thought that if we gave you most of the details we could get it out of the way so to speak and move on to happier subjects because as you can imagine it was a very sad and stressful time. Karen and Richard spent Christmas Eve, Christmas Day and Boxing day at Ann and Colin's house this year as they did not want to be at home on Christmas morning we also joined them for Christmas Day. They are both coping very well with the loss, or appear to be on the outside, so hopefully things will get better we know it will take a very long time to get to grips with such a loss. One has to ask why can this sort of thing happen to someone so young. On Friday, 3rd March this year Maureen and I will be celebrating our Golden Wedding Anniversary, makes you realize how old you are. We are taking about forty people to a small local restaurant for a meal and drinks, should be very nice and we are looking forward to it. In April our daughters and family are taking us to Paris, France for a few days and they need to book it very soon, so perhaps you could give us a date that you are to be in our area so that we can endeavour to arrange dates that will not clash with your arrangements, perhaps you could let us know soon.

It is at the beginning of our winter here the worst months being January and February. We have had a sprinkling of snow in this area. Although other areas have had a lot (not by your standards) which has caused traffic disruption in some areas, the forecasters say we are on line for a more severe winter than we have had for a few years, we shall see. Ann still has her high profile job working for "Hansard" in the House of Commons, gets various promotions at present she is very high up the ladder at Executive Sub-Editor or something like that, gets well paid anyway. Her husband Colin is a partner and Managing Director of a printing, advertising and PR company. Karen does not work at present, but is trying to find a little casual job for a few hours a week to get back into mainstream employment at sometime perhaps. Her husband Richard is Project Manager for an electrical firm, specializing in battery back-up systems for lighting and power for companies to protect their computer data etc. Brother-in-law John still lives on his own with his beloved dog, "Coburn" since he lost my sister Amy a couple of years ago, he even signs his Xmas cards from "John and Coburn". James, Ann and Colin's son is in his second year of "O" levels with the object of passing all his exams to go on to University, he will be 16 in a couple of weeks time. He has got himself a girlfriend "Ashley" a very nice girl. Emma, his daughter is now 13 years old and goes to the same school as James, she is very much into gymnastics and helps out as an instructor teaching the younger children at her local gym under the supervision of the senior instructor, all of her exercise means she has grown into a very slim and attractive young lady. Well it only remains for us to Wish You and all your expanding Family A very Happy and Healthy New Year, Lots of Love from all of us over here, Hope to hear from you soon.

Love Doug and Maureen x

The following is information Nicholas e-mailed to Doug Fish, June 2004.

I lived in Hull, Quebec from the time of my birth until 1985. At that time my mother and I left the Hull/Ottawa area and lived with Dorothy and Peter Lamontagne for approximately six months in Lanoraie, Quebec. From there we moved to Montreal in the Ahuntsic area where we lived from 1985 through 1986.

It was at this time that my mother met Fernand Wester who is now my Stepfather.

In the summer of 1986 we moved to Laval, a city just outside of Montreal where we lived for fourteen years. In 2000 we moved to Edmonton where we live to this day.

From 1986 through 1990 I attended L'Amber Close Elementary School and 1990 through 1994 Des Ormeaux Elementary School. I attended High School at Vanier from 1994 through 1997 when I transferred to Cure Antoine Labelle High School and spent 1997 through 1999 there. I took a year in 1999-2000 off from school and worked at Harley Davidson full time.

I started college in 2001 at Grant MacEwen College. For two years I took general studies. In 2003 I switched to music where I am about to start my second year in the fall of 2004.

Background information:

I started playing football in 1996 for the Davenport Broncos, made the city All-star Team and we won the championship in my first year. In 1997 I changed High Schools and became Captain of a new football team. In 2000 I was invited to try out for the Vieux Montreal College football team, but, that was when we moved to Edmonton.

I started playing base in 1998. I joined two bilingual bands in 2001. One band called Source, of which I am still a member has played in New Brunswick for the French Games, Ottawa for Canada Day 2001 and all over Edmonton. We entered a contest called Future Fest in 2002 and won honours. The competition included 16 bands from across Alberta.

I am also part of a non-profit organization called C.D.M. (Musical Development Centre) which helps kids, adults and professional musicians to develop their musical abilities. We as well organize all kinds of clinics, shows and festivals in all French communities across Alberta. Our web site is www.edmbertha.ca.

In September 2004 I will return to college to pursue my musical studies while trying to hold down a job at the same time.

Notes for JAMES ROY (JIM) CRAVEN:
Memories of Jim Craven April 22, 2005.

I personally did not care for Powell River when we first moved there, but, I grew to enjoy it.

Sometime after moving to Powell River we secured a cabin on Powell Lake the largest lake in the area (approximately forty miles long). We would go up to the lake for extended periods every summer. I enjoyed Powell River a great deal for the outdoor life and the friendships I developed there. At school I obtained great satisfaction from drama, music and being on the Student Councils on which I was Vice President.

When I finished High School I applied for a summer job at the pulp mill and was turned down. I had hoped that job would finance my first year of university. One day while hitch hiking the City Manager of Powell River picked me up. At the age of seventeen he offered me a job at City Hall. Ever since I have worked at various City Halls throughout British Columbia.

Suzanne and I left Powell River after the birth of our first child Mark. We went to Crofton, then Fort MacNeil, then Squamish where I was City Administrator, we ran our own business on the sunshine coast, on the ocean for a while, had a general store in Wolf, went over to the Kootenays worked for a 77, was City Manager in Oak Bay, Executive Director for the largest regional Library system in B.C. and for the last twenty years I look after the Municipal Finance Authority of B.C. My hobbies are with the children and have always been lots of out door activities such as cycling, kayaking and hiking. As a result of our moving so often the family became it's own little unit, depended heavily on each other and are still very close. Now that I have retired I get to spend more time with them and it is a wonderful time in my life.

Jim retired on December 31, 2001 after serving as the Executive Director of the Municipal Finance Authority of British Columbia for 17 years.

Prior to joining the MFA, Jim held the following positions:

- Three years as the Executive Director of the Fraser Valley Regional Library
- Five years as the Municipal Administrator of the District of Oak Bay
- Thirteen years as an Administrator and/or Treasurer for several B.C. municipalities and regional districts
- Consultant to the Resort Municipality of Whistler and during his time with the MFA he has done consulting with Ontario, Manitoba, Quebec and the First Nations Finance Authority.

In July of 1999, Jim Craven was awarded the Lieutenant-Governor's Award for Excellence in the Public Service. At the MOA Annual Conference in 1999 Jim was awarded a life membership to the Municipal Officers' Association.

He has completed the UBC Diploma Program in Municipal Finance, holds Senior Certificates in Municipal Finance and Administration from the Province of B.C., and is designated a Professional Administrator by the Institute of Chartered Secretaries and Administrators.

Since 1985 Jim has been a mentor on a number of occasions for the Municipal Administrators Training Institute. He is the co-creator of the Mentor Access Program for municipal employees in British Columbia which has been offered regionally in thirteen different locations. He is the co-creator of the First Nations Finance Authority (FNFA) which presently serves 40 bands in Canada for investment pooling purposes. The FNFA will be also be accessing the capital markets for First Nations needs soon.

Jim has a keen interest in the environment, land claims issues, sea kayaking and other outdoor activities.

The following information was provided by Jim and Suzanne.

James R. Craven and Associates.

Suzanne Baden is the wife and partner of Jim Craven. They have been married since July 11, 1964. During this time they have raised two sons, of which one is married and has a family. Suzanne was mostly a full time mom when they were young and participated in various volunteer services within the communities in British Columbia in which they lived. These included working with mentally challenged children, and assisting seniors in their homes. Suzanne also initiated a senior reading program and book delivery service to those unable to leave their homes and to Seniors Residences in the Fraser Valley from the Fraser Valley Regional Library System.

Suzanne earned a certificate from the Fraser Valley Regional and was subsequently employed to manage a medical office of a General Practitioner in Abbotsford.

Upon moving to Victoria, Suzanne was employed by a non-profit society to manage the Victoria Branch. Duties include facilitating weekly meetings along with programs for women and children. This developed into a public office called the Victoria Attainment Center. With further training Suzanne became a practitioner of a body energy balancing technique that was offered as a public service. The practice was a thriving full time healing and counseling business for over ten years. Suzanne was also a member of the board for the Whole Health Institute of Canada.

After retiring from this service she and Jim moved to a rural acreage in East Sooke approximately a half hour drive west of Victoria. This provided a perfect place to indulge in hiking, kayaking, gardening and studying nature.

Suzanne volunteered at this time to the Sooke Museum to assist with School Tour Programs. She also was involved for nine years with the Greater Victoria Art Gallery for a Gallery-In-Schools Program in which she brought art works to the elementary schools of Western Communities for discussion and art projects.

Suzanne is continuing to enjoy the business partnership she shares with her husband Jim. They have traveled extensively in British Columbia facilitating workshops and meeting major players in communities. They have also traveled together throughout the world with the international banking community and also on their own. They share an insatiable curiosity for people, communities, nature, plants, animals and the constant interplay of these things.

Notes for KATHLEEN EDITH CRAVEN:

Memories of Kathy Brown nee Craven May 6, 2005.

We moved to Powell River area from Vancouver when I was a baby. We lived in the small community of Cranberry Lake which is just outside of Powell River until I was twelve years old. We as well had a cabin on Powell Lake where we would spend most of our summers. In the summer my Dad would take the boat back and forth down the lake to go to work. We had a wonderful childhood most of the time spent on and close to the water. The lease eventually ran our on our cabin. My Mother stated she would do anything to live by the ocean, even live in a shack. A house became available from a man my Dad used to work with on the beach in Powell River. They sold the cabin and we all moved down to the ocean. The boat was brought down and arrangements made to be able to launch and draw it up on the beach. We would then very often launch to boat and go fishing at the end of the day. Soon after the family next door moved and Phil's family moved in, in the fall. We soon became friendly with the family. As Phil's father was going in the same direction as the school he used to drive me to school. One day Phil's Father asked if I would like to work in the Corner Store they owned. I then began working there after school and on weekends at the age of about fourteen or fifteen. When Phillip would come home from University he would come up to close up the store and drive me home. So that is how we met. Both of our families would as well have bonfires on the beach at which we would roast hot dogs, marshmallows have hot chocolate. His family would invite us over and we would invite them over and we became close.

I was trained to work with mentally handicapped adults as a program worker. It was at a time when they were closing the large institutions and integrating the former residents into group homes in the various communities.

Notes for PHILIP W. BROWN:

Memories of Philip Brown May 6, 2005

I graduated from the University of British Columbia with a Bachelor of Arts and an Education Certificate. Soon after marrying I began my teaching career at Courtney Junior School here in British Columbia. I was there for three years teaching English, Physical Education and Social Studies.

Kathy and I then decided we would see the world. We hitchhiked across Canada and that was the first time we went to Ottawa. From Ottawa we went to New York City caught a plane and flew to England and visited with all of my relatives. We then purchased a Volkswagen Van and travelled around Europe. After that journey we decided British Columbia was the best place to live.

When we returned I obtained employment at Brookland Elementary School in Comox, B.C. I was there for eight years. I then went to Cumberland sometime in the early 1980s and was there for twenty-two years. I then retired in 2002.

A year after our return from Europe we purchased the property on which we now live. That summer we moved to the property camped in a tent. We produced hexagon and pentagon panels and at the end of August arranged with friends to come and help us put them together into the goodsie dome it is today. On Labour Day weekend we cut all the panels together and the did not fit together properly. We had to take it all down. The next weekend the same people came back and with a little more care take in measuring and placing each panel it all went together. We spent the rest of September and October fiber glassing the exterior. This had to be done on sunny days when the temperature was just right.

I began working in the Powell River pulp mill December 8, 1970. I have been there thirty-five as of last December 8th. I have worked in Stores, Purchasing and projects for the rebuild of various piece of machinery in the plant.

This company was originally the Powell River Plant. In the 1960s the plant was sold to MacMillan Bloedel and became Powell River McMillan Bloedel. The name was later shortened to McMillan Bloedel and then in about 1986 it was again shortened to M.B. Paper. In about 1990 the plant was acquired by Warehouse who sold the plant to Pacific Paper. Notes for KALI KNIERM BROWN:

Note from Phil Brown

Keri delivered a baby girl at 2:45pm yesterday. Her name is Kali Katerim Brown. I checked the spelling before sending this one. Katerim is Keri's family name. It is not hyphenated, but I don't know that it is an official middle name either. We will sort that out later. Kali was 7lbs 3oz at birth and started feeding shortly after she was born. She is about a week early, but seems to be perfectly healthy. The two grandmas hovered outside the door until they were allowed in. Austin was the birth coach and did a tremendous job. Keri had a relatively easy time. She expected a much longer delivery, but went into labour just before noon, so it only took about 3 hours.

Please let me know if the attachments arrive ok. Kathy took the pictures.

Hello all,

I apologize again for the mass email. I just wanted everyone to know how much we appreciate your kind words of support during this stressful time in our lives. We were away all last week in Vancouver and Victoria at appointments for Wayne. He had his PET scan done on Tuesday and we found out that everything looks ok. It does not look as though the cancer has spread to his liver or any other parts of his body. What a relief it was to hear that news. He had his PIK line inserted on Thursday (permanent IV) and he will start his Chemotherapy on Wednesday. I'll keep

you posted on his condition. Thanks again for all the prayers and kind words it really means the world to us. Pauline, Wayne and Erika
